

November 08 2017 Kusum Foundation Village Katesar District Saran Bihar India. With students of ICT and Sewing Embroidery Doll making etc .5000 such students have learnt different skills over last ten years through humble initiation into skill development in rural centre by Kusum Foundation unlike many only endemic to urban / semi urban locations #not accessible to rural underprivileged girls&boys . It is indeed humbling to be part of the foundation and a privilege to be photographed with the trainees.
